Local Girl Killed In Auto Accident

Death to Eva Frates, 46 Peoria street, 15-year-old Daly City girl, occurred shortly before midnight Friday at San Mateo Community hospital, after an automobile accident, Friday morning. Fred Hall Cooper, Redwood City, driver of the machine, was killed instantly, and two others, Alice L. Hitt, East Palo Alto, and Genevieve Beck, San Jose, were injured when the car crashed into a power pole in Redwood City.

Prior to the tragic accident, the Frates girl was a tuberculosis patient in the Canyon sanitorium in Redwood City. A tragic note to the case was added when it was reported by physicians of the hospital that the girl had been recovering satisfactorily from tuberculosis. The other girls in the accident were also patients, while Cooper was employed at the hospital as a porter.

An injury report of the Frates girl showed a fracture of both legs and a brain injury, the latter of which was determined to be the direct cause of her death. Consulting with a San Francisco brain specialist at the Community hospital in San Mateo, hospital physicians reported that the girl's condition was too serious to permit an operation.

Funeral services were conducted, Saturday afternoon, from W.

No Further News On Draft Quotas

In an effort to eliminate the danger of military information reaching enemy sources, the Daly City Draft Board has received instructions from the federal selective service board to discontinue press releases regarding draft calls, quotas, and the names of men called.

Since the draft system went into effect in October, 1940, the local boards have given newspapers throughout the country information for publication regarding these draft calls and names. The ban has come as a direct result of actual wartime functions of the selective service board.

Cooperating with the emergency situation, The Record will not be able to continue its policy of publishing the name of each man who answers his country's call.

City Passes Blackout Ordinance

Providing for the enforcement of blackout rules and regulations, an emergency ordinance was passed, Monday, when the city council of Daly City held their regular meeting.

The ordinance was brought before the council by R. A. Rapsey, city attorney. Text of the measure originated in the office of the League of California Cities, and was recommended to a number of cities throughout the state by the attorney-general.

Rapsey read the ordinance at a previous meeting of the city council a week ago, but action on the measure was withheld until the meeting, Monday, due to a technicality in the first section. The provision concerned the type of blackout signal to be used for which the present alarm system was not equipped. However, the matter was corrected, thus effecting the passing of the ordinance.

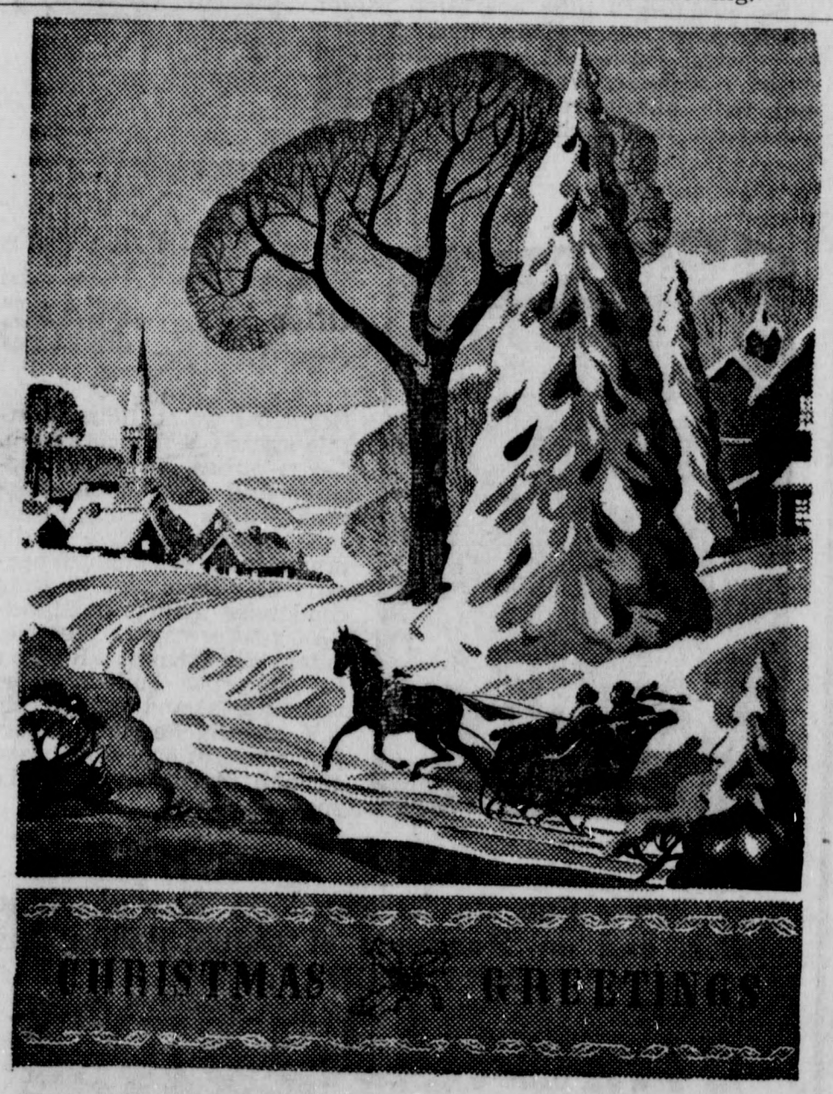
Proceeding to further business, A. P. Chesney, chief of the fire department, made a report to the council announcing that delivery of Daly City's three new fire trucks will be made, Sunday. Assembled in Oakdale, the trucks passed a twelve hour test by the National Board of Underwriters. Chief Chesney was accompanied on a trip to Oakdale, Friday, by Mayor John J. Fahey sr., Councilman Edmund Cavagnaro, and James G. Reardon, chief of police.

After a reading of communications at the council meeting, Councilman Paul G. Selmi was designated by Mayor Fahey to represent Daly City on the Regional Planning committee, a group which is composed of representatives from nine counties in the San Francisco area.

City Offices Close for Christmas

City offices at the city hall will close their doors, tomorrow, to observe the Christmas holiday.

The police department will be the only department of the city organization functioning.



"Merry Christmas, Happy New Year"—they're still magic words. Use them, mean them, live them.

Right now, let every member of the Daly City Record staff wish you the happiest of Yuletide seasons.

Blackout Signal

To conform with a demand of uniformity in air raid signals in the state, the signal for blackout in Daly City has been changed.

When you hear ten blasts of three seconds each, a pause of three seconds, and then ten more blasts of three seconds each, it means all lights out.

"All Clear" signal will be one continuous blast of the same duration.

Schools Prepare For Emergency

A full schedule of defense preparations has been added to the 1942 curricula of the elementary and high schools in this district. Since the outbreak of the national emergency, two weeks ago, the schools have been recognized as a vital center for defense activity, especially in this area.

Complete co-operation from faculty members was foreseen as Jefferson Union high school and the elementary schools, public and parochial, prepared for emergencies. At Jefferson Union high school faculty instruction in first aid courses has been under way for the past two weeks, conducted by three members of the physical education department, Albert Biggs, Miss Ella Redkey, and Miss Juanita Young. Drills have been held in the high school in preparing for air raids and evacuation of the school if necessary.

National rules have been set up for all schools in preparing students for emergencies, and the local schools have carried out the rules in their regular air raid drills.

Wardens to Take First Aid Course

Recommended for all air raid wardens by the Office of Civilian Defense in Washington, a first aid course has been included in the training of Daly City air raid wardens. It is expected to begin next week.

Conferring with R. L. Crane jr., first aid instructor and the Civilian Defense Council, Arthur H. Quirmbach, San Mateo county civilian defense official, announced the possibility of a day course to convene on Sundays for

Announce Services For Christmas Day

Commemorating Christmas Day, many Daly City residents will attend services, tomorrow morning, at the churches of the community.

At Our Lady of Perpetual Help church, 60 Wellington avenue, Reverend Father James Bergin, pastor of the parish, announced that masses on Christmas Day are said at 6, 7, 8, 8:30, 9:30, 10:30 a. m., and 12:15 p. m. High mass will be said at 10:30 a. m. followed by Benediction. Confessions will be heard this afternoon at 3 p. m., and this evening at 7:30 p. m.

Members of the Colma parish, Holy Angels' church, San Pedro avenue, may attend masses at 6, 7, 8:30, 9:30 and 11 a. m. tomorrow. Reverend Father James Sorasio, pastor, announced that High mass will be at 6 a. m. services, and Benediction will follow the 8:30 mass. Confessions will be heard at 2:30 until 6 p. m. this afternoon, and from 7 to 9:30 p. m. this evening.

To Operate Drills For Raid Wardens

With a full training program before the civilian defense volunteers of Daly City, drills for air raid wardens, auxiliary fire and police officers, and other defense workers have been formulated by the Civilian Defense Council. The drills are expected to be in operation within the next week. However, the air raid wardens have been active in their precincts for the past week.

By means of a raised map showing the buildings in the block patrolled by each warden, the officers made a record of every residence in their precincts, recording the number of people living in each house. In addition to this data, the wardens recorded the location of gas and water mains ,and the main switch for electricity in each house in the precinct.

Senior air raid wardens in command of the precincts have been meeting with their aides regarding the survey. Many of the senior wardens have set up precinct headquarters.

The city council passed an emergency ordinance, Monday, providing for the enforecment of rules and regulations for blackouts in the city.

Recommended by the state attorney-general, the ordinance provides for a uniformity in blackout signals throughout the state, necessitating the change of signals in this city. Under the

Thirty-three Report For Red Cross Duty

Reporting for duty in the volunteer rolls of the American Red Cross, 33 ladies of Daly City registered at the Daly City Theatre hall, according to an announcement by Mrs. Horace Fellows, town chairman of the local organization.

Since registration is still open, Mrs. Fellows expressed the need for many more members. There

Youngsters Throng To Theatre Party

A record crowd of over a thousand local youngsters packed the Daly City theatre, Monday afternoon, and joined in the fun at the annual Christmas party supervised by the Daly City WPA Recreation department.

The youngsters were treated to a full length, thrilling packed western feature, "Westbound Mail" and a program of five screen short subjects and three stage features. This wasn't all the show, however. As they left, they were presented with candy and oranges, a treat for every youngster that attended.

The program consisted of entertainment from the Cowboy Band of Jefferson Union high school. The musical organization is made up of Keith Fretewell, George Percival, Frank Rivas, and Roy De Vincenzi.

Miss Rose Dancing School contributed to the entertainment for the children with a program of dance features. Talent of the dancing school included: Lorraine Remmer, Esther Hanel, Dorothy and Joseph Langensand, Anna Domecus, Eleanor and Carol Benedetti, Dianne Hovey, Betty Duffy, Judith Liberti, and Beverly Rapp.

The entertainment continued with a community sing and the following short subjects: "Happy Holidays," "Diving Thrills," "Ice Capers," "Pooch Parade," and "A Plumbing We Will Go."

At the end of the entertainment, the candy was handed to the children by three members of the Recreation department, Mrs. Marie Burton, Mrs. Alice Hillerich, and Mrs. Clara Mitchell, and they were assisted by the following members of the Women's Civic club: Mrs. Ann Eason, Mrs. M. Boyle, Mrs. Edmund Cavagnaro, Mrs. Rose Watson, Mrs. M. Gehrig, Mrs. A. P. Chesney, and Mrs. Martha Linden. The Women's Civic club prepared the treats, Tuesday evening, at the Recreation office.

Treats were donated by the city, and a number of contributions were made by private parties. The city supplied firemen and police officers for the occasion.

City of Colma Launches Defense Program Swears in Six Air Raid Wardens for Area

Civilian defense activity went into operation in the city of Colma, last week, when committees were named and duties were assigned to defense workers of the community. With plans under way but a short time, the neighboring community reported rapid progress in molding a plan of action.

Adoption of the National Defense Emergency Ordinance, a measure suggested by the League of California Cities, introduced the civilian defense program in Colma at a regular meeting of the town council. Mayor W. A. Newall appointed Joseph Cavalli, Colma chief of police, as chairman of Citizens' Registration, air raids, and civil defense.

Mayor Newall, heading the entire emergency program in the incorported area of Colma, called a special meeting on Wednesday. Serving under Chief Cavalli, six wardens were sworn into office by E. A. Weisenburger, town clerk, to enforce blackouts in each of the city's six districts.

Following are the wardens according to their respective territories: John Price, phone DElaware 0378, Clark street northeast to boundary, and as far as the Serbian cemetery; Sam McCaffrey, phone RAndolph 6977, Serbian cemetery south to boundary along Hillside boulevard; Giuseppe Cavalli, phone RAndolph 4929, Clark street west to boundary line and south to Greenlawn cemetery; L. Richards, phone city hall, DElaware 2986, Greenlawn cemetery south to Collins avenue; Earl Taylor, phone DElaware 5284, Collins avenue to Chinese cemetery road; and John Dobko, phone RAndolph 8853 and 1252, Chinese road south to boundary line.

In addition to the wardens, three ambulance drivers were deputized as police officers in three of the six districts. John Newton, phone RAndolph 1576, Giuseppe Cavalli, phone RAndolph 4929, and Earl Taylor, phone DElaware 5284, were the three deputies.

Mrs. Stella Jensen, RAndolph 7363, supervises a weekly meeting of the Red Cross unit on Wednesdays in the court room, and a request was made for all ladies who possibly can, to join.

Cemeteries in the city were urged to keep reservoirs filled with water in an effort to maintain an adequate supply with pressure at hydrants. The council further requested that every home maintain a fifty foot garden hose attached to a faucet at night and also several sandbags.

The council announced that a folder with full details and instructions for residents will be distributed to every home in town.

Well, Anyhow, You Can Still Play Whist

Blackout or no blackout, you can still play whist.

Members of Daly City Post No. 410, American Legion, announced today that they have blacked out all windows at Legion hall. Their regular monthly whist is scheduled for Friday evening and the game will be played "as usual."

The affair starts at 8:30 p. m. in Legion hall. Henry King is chairman of the party. Other members of the post will assist King with the arrangements.

A cash first prize will be given along with many other awards. The members stated that all card players are urged to attend and they can be assured they will be perfectly safe in the event of a blackout as the hall has been fixed so the lights can remain on.

Junipero Serra Treats Four Local Cases

Four local cases were treated during the past week at Junipero Serra hospital.

Mrs. A. McKeon, 973 Hanover street, was brought to the hospital, Thursday, by the ambulance, and was treated for a possible stroke. She was later transferred to St. Mary's hospital.

Frank Pace, Hillcrest drive, was treated for injuries to the forehead, Friday, after a fall.

Mrs. W. Bock, 81 Cavour street, suffered a broken ankle, Sunday, when she fell downstairs.

Nine-year-old Gloria Seittini, Colma, was taken to the hospital, Saturday, after she was bitten by a dog.

Organize Local Group To Push Stamp Sale

In an effort to raise funds for defense through the purchase of defense savings stamps, plans for the organization of a defense savings committee are now under way in Daly City.

Appointed by the secretary of the United States Treasury as defense savings chairman in this community, Mayor John J. Fahey sr. received a telegram, Wednesday, from James G. Smith, administrator of the Defense Savings stamp program in Northern California, authorizing Mayor Fahey to organize the committee locally.

The text of the telegram reads: "Honorable John J. Fahey sr., Mayor, Daly City.

The undersigner, on behalf of the Secretary of the United States Treasury, hereby appoints you honorary chairman of the Defense Savings Committee for your community. Please acknowledge receipt of instructions for organization of your committee for Defense Savings which are being sent to you by mail today.

JAMES G. SMITH."

"DOC" RATTO SETS TWO NEW MARKS IN DALY CITY BOWLING LEAGUE

"Doc" Ratto, Universal Press lead-off man, set two new marks in the Daly City bowling league, Friday, when he rolled a single game of 253 as the Pressmen won over Curry's Barbers in a 2 to 1 series. Ratto automatically set a new record of 627 for the three-game series with this performance.

Daly City-Colma Lions sprung a surprise when they trounced the Milo's Market team in three straight games in a determined effort to maintain their long-sought winning streak which they started two weeks ago against the first place Universal Press aggregation. Since league play was cancelled, last week, this was the Lions second consecutive win.

Battling for the second place position, the Eagles' keglers rolled a 3 to 0 series against the Sheriff's office. Daly City Cleaners took a 2 to 1 decision from Conci's Shell service in the other series.

League play this week will find Conci's and Curry's occupying alleys 1 and 2; Milo's and Sheriff's office in alleys 3 and 4; Lions and Cleaners in alleys 5 and 6; and Eagles and Universal in alleys 7 and 8.

The standings:

is an urgent demand for sewing machines, and it was requested that anyone who is in possession of a sewing machine that they are willing to lend to the Red Cross, call Mrs. Fellows at DElaware 4123.

The sewing division of the Red Cross, headed by Mrs. Julia Jordan, has already begun production operations for service men. According to plans from the county committee, the sewing committee will knit and sew clothing for service men. At present, the group is engaged in making equipment for the men in hospitals.

Other local committees are headed by Mrs. R. L. Crane jr., canteen chairman, and Mrs. A. Milo, motor corps chairman.

AUTO LICENSE TIME TO START NEW YEAR

For California's millions of motorists a first order of business for the approaching new year will be renewal of automobile registration.

The renewal period for 1942 will open on Friday, January 2, and close on February 4 at midnight.

Total amount of fees to be paid for 1942 renewal of registration is stated in the lower left hand corner of the 1941 registration card. This method of notification has replaced the former postcard notice. The registration card must be presented when applying for renewal.

Story Of R. A. F. Told In Dramatic New Film

The first story of Britain's fighting R. A. F. zooms across the screen of the Daly City theatre as 20th Century-Fox's new production, "A Yank in the R. A. F.," opens tonight.
the lighter side, the pilots' efforts

With Tyrone Power as the Yank and Betty Grable as the Yank's sweetheart, this story of England's men of the skies follows them as they live, love and laugh on land and perform deeds of heroism in the air as part of their everyday job.

Production Chief Darryl F. Zanuck received the full consent and cooperation of the British government to show many of the exciting events of the war—flights over Germany, the evacuation at Dunkirk, forced landings in enemy country; and on the lighter side, the pilots' efforts at relaxation.

The story follows Tyrone, an American flyer in Britain who joins the R. A. F. to get some action. Bored by the instructions he must take and the routine of his duties, he does not get along well with his fellow pilots or his commanding officer, played by John Sutton. And his romance with Betty Grable, an American dancer in London, receives a setback when Sutton proposes marriage to her.

Although this is Betty's most dramatic role to date, she is featured in two musical numbers especially created for her.

The evacuation at Dunkirk has been acclaimed by preview audiences as one of the most exciting ever filmed. Director Henry King had more than a thousand players, workers and special effects men at the specially constructed "English Channel" to film this epic of the war in all its exciting reality.

Actual combat pictures, filmed by the R. A. F. in action, show the thrilling dog fights in the air, dive bombers dropping their deadly loads and add to the thrills of the film.

Companion feature on the new bill is "Highway West," with Brenda Marshall and Anthony Kennedy.

'YANK' SWINGS INTO ACTION!

With the roar of the attacking planes overhead, Tyrone Power swings into action in his latest picture for 20th Century-Fox, "A Yank in the R. A. F." Inset shows Power as the Yank with Betty Grable, who portrays the American dancer who becomes his sweetheart. The attraction is now playing at the Daly City theatre.

Legion Groups Hold Christmas Party

A joint Christmas tree party was held by members of Daly City Post No. 410, American Legion auxiliary, Daly City Post No. 410, American Legion and Sons of the Legion, Friday evening. The gala event was held at Legion hall.

All children of members were welcomed and gifts, candy and entertainment was enjoyed.

Members of the three organizations joined in sending best wishes for a "Merry Christmas and a Happy New Year" to the people of Daly City.

V. F. W. Auxiliaries Entertain Veterans

The Eighth District, V. F. W. auxiliaries, held their annual Christmas party at Veterans hospital in Palo Alto, last Tuesday.

The auxiliaries of the district entertained two hundred patients at the hospital. The ladies served refreshments and distributed gifts among the men.

A program was offered by "Dude Martin and his Gang," which was enjoyed by all present.

The eighthdistrict president, Mrs. Nellie Jensen, Daly City, was accompanied by several members of Old Glory Auxiliary No. 2044, V. F. W., of which Mrs. Jensen is also a member.

Fete Miss Linden At Several Parties

Miss Barbara Linden, popular bride-to-be, has been feted at many showers during the past several weeks. Miss Linden is the daughter of Mr. and Mrs. Ambrose J. Linden, Daly City, and a graduate of Jefferson Union high school.

Miss Lillian Cavagnaro, 428 Irvington street, feted Miss Linden at a miscellaneous shower, Friday, November 28. The table and living room were cleverly decorated in the bridal motif, An umbrella piled high with gifts conveyed the presents to the honored guest.

Mrs. L. Volkman and daughter June, Moltke street, were co-hostesses in her honor at a miscellaneous shower Thursday, December 11.

Members of the Woman's Civic club gave a shower at the home of Mrs. E. Cavagnaro, 428 Irvington street, for her. She was presented with a beautiful table lamp.

Miss Linden will exchange nuptial vows with Henry Volkman jr., Sunday, January 11, at Our Lady of Perpetual Help church.

Elected as maid-of-honor of the romantic event is Miss Gloria Linden, sister of the bride. Bridesmaids will be Miss Lillian Cavagnaro, Miss June Volkman and Miss Cleo Adamson.

To Start First Aid Classes Next Week

In co-ordination with the local Civilian Defense Council, first aid classes are expected to start under the supervision of the American Red Cross in Daly City, early next month.

Under the present plan, the classes will be divided into three sections, each headed by a competent instructor. The classes are being rushed to meet the demands of the present emergency for instructors in first aid for the many volunteers who have registered for civilian defense duty.

The three registered instructors who will conduct classes in Daly City are R. L. Crane jr., Miss Juanita Young, and Miss Ella Redkey. The instructors are all volunteers for the first aid program of the Red Cross.

The classes will include a complete and extensive study of standard and advance Red Cross first aid as a step in civilian preparedness. It was learned at a meeting of county instructors at Burlingame that the Red Cross can, in the emergency, greatly increase the scope of its activities and expand its personnel without disturbing the regular first aid program of organization.

Sewing Group to Meet After First of Year

The sewing group of the Mothers Club of Our Lady of Perpetual Help school will not hold any meetings until after the first of the year, according to an announcement made this week.

Next meeting of the sewing group will be held on Wednesday, January 7, at the home of Mrs. Schriber, 33 Knowles avenue.

The December whist has been postponed until January 23. Mrs. Mary Hanley has been put in charge of the card game.

Meeting dates and places for the January meetings have been announced as follows: Wednesday, January 14, dinner at Lucca's restaurant; Wednesday, January 21, regular business meeting at 10:30 a. m. at the home of Mrs. Elsie Thomson, 613 Bellevue avenue; January 28, regular business meeting at the home of Mrs. Josephine Kelley, 177 Goethe street.

Hold Funeral Services For Mrs. Slack

Mrs. Lillian Slack, Colma, succumbed, Friday. She was the wife of Robert E. Slack and sister of Annie and James Lord.

Funeral services were held, Saturday afternoon, from a downtown mortuary.

To Operate Drills

new signal, the alarm for blackout is a series of ten blasts of three seconds each, followed by a pause and ten additional blasts of three seconds each. "All Clear" signal is one blast.

Chief of Police James G. Reardon and Arthur H. Quirmbach, who heads the gas decontamination squad in Daly City, attended three days' drill in San Francisco directed by the Army Chemical Warfare Service, last week. A practical demonstration of the work during air raids was made by the army, and specific problems were aired at the course.

Air raid incidents were manufactured, and the problems were passed out to student wardens to demonstrate their reports. After the reports were made, the army officers made a constructive criticism of the results.

Quirmbach expressed an opinion that similar problems would become a part of the local drills for air raid wardens. He also announced that first aid drills for air raid wardens will soon be introduced.

City Provides Shelter For U. S. Soldiers

Civilian Defense headquarters in Daly City reported that a shelter for soldiers of the United States Army Signal corps who are stationed on the reservoir hill above Daly City has been provided by the city.

On 24-hour duty for some time near the reservoir, the soldiers had no facilities for shelter, and Daly City donated timber to the army detail for erection of a building, and twelve bunks were built in the room.

Heating facilities were provided when Downall Sheet Metal Works, assembled a stove for the building. Also, a number of local residents have been sending cakes and other food to the soldiers.

Andrew C. Douglass Succumbs in S. F.

Andrew Chester Douglass, 72, succumbed in San Francisco, Sunday. He was the husband of Annie Douglass.

He was the father of Mrs. Ethel Bolger, wife of Daly City's police desk sergeant, William Bolger. Other survivors include his other children; Irene Kariho, Inez Freeman, Vivian Armour, Althea McClintic, Lorraine Fassio, Doris Morton, Zoelita Kelly, Myrtle, Archie and Vernon Douglass.

Funeral services were conducted, Monday afternoon, from the W. C. Lasswell company chapel. Interment was at the National cemetery.

Conduct Last Services For Thomas Koskinen

Funeral services for Thomas Koskinen, 62, 131 Hillcrest drive, were conducted from the Joseph Godeau Funeral parlor, 41 Van Ness avenue, San Francisco, Monday.

The deceased was a member of the Veteran Firemen's association in Daly City. Services were conducted by A. N. Lang and H. W. A. Rickmann, members of the organization. They were assisted by the following Veteran Firemen of Daly City: John Hesslein, Fritz Hanson, Gus Schenk, William Goldkuhl, E. J. Romer, Pete Petersen, and E. H. Pfuhl. Interment took place at Mount Olivet cemetery.

Local Girl Killed

C. Lasswell and company in Daly City, while interment took place at Holy Cross cemetery.

Mrs. Viola Frates, mother of the girl, has been under a doctor's care since the tragedy took place. Aside from her mother, the Frates girl is survived by Raymond, a brother, and Marietta, a sister. The father of the girl, August Frates, passed away, last April.

local air raid wardens. Blackout orders, it was learned, prevented the classes from meeting during evening hours, since the wardens are required to be at their respective posts when the "alert" signal, which precedes the blackout order, is given.

Mass instruction is the present plan for the first aid course, and it was predicted that evening classes, assembling the entire air raid warden detail of the city in one spot, would have a tendency toward considerable confusion in the event that the alarm was received. After this problem was considered, the proposal was made for Sunday classes.

Although much objection to the Sunday meetings was expected, since, for many wardens, it is the only free day of the week, it was agreed by many of the officials that this would be a suitable time.

"It is a logical time to meet," said Quirmbach, "since this is an emergency. It will give the Civilian Defense council an opportunity to determine how sincere the wardens are.

"It is indeed a hardship to be deprived of a Sunday ride or other means of entertainment, but this is an emergency—not a hobby."

Judge Fahey Presides At Brief Court Session

Judge John J. Fahey jr. heard an unusually small number of cases in a brief session of traffic court in Daly City, Friday.

Gordon Joseph Kobery, San Francisco, paid a fine of $25 for reckless driving.

Speeding cost Robert L. Gilroy, San Francisco, $15.

Charles L. Springer jr., San Francisco, was fined $1 for disregarding a stop signal in Daly City.

Charles J. Antonini, San Francisco, paid a fine of $1 for violation of the signal law.

Smoking Dog

One of the reasons Spokane County Superior Judge Fred Witt would not consider appointment to the Supreme court for which he was recently prominently mentioned was that his wife preferred to remain in Spokane. And one of the reasons that Mrs. Witt preferred to remain in Spokane was that she feared the change of climate might not be good for her 10-year-old pet fox terrior Tiny. Tiny is a fastidious animal in that he cannot start the day, Mrs. Witt says, without a cup of coffee well seasoned with sugar and cream, after which he demands a cigarette

Ordinance No. 241

An Ordinance of the City of Daly City Relating to Air Raid Precautions.

The City Council of the City of Daly City does hereby ordain as follows:

Section 1. As used in this ordinance the following words and phrases shall mean:

"Air raid warning signal" shall mean a signal, by siren, whistle, horn or other audible device, of two minutes duration consisting of a succession of intermittent blasts of about three seconds duration separated by a silent period of about three seconds.

"All clear signal" shall mean a single signal, by siren, horn or other audible device, of the same duration as the usual fire department "all out" signal.

"Period of air raid alarm" shall mean the interval of time between the giving of the air raid warning signal and the giving of the next succeeding all clear signal.

"Blackout structure" shall mean any space so enclosed that any illumination maintained or existing therein is not visible from any point outside such enclosure.

Section 2. The Chief of Police is hereby authorized and directed to cause the sounding of an air raid warning signal and of an all clear signal when, and only when, the district in which the city is located is notified so to do by the United States Aircraft Warning Service.

Section 3. Any person who effects or maintains any illumination, or permits any illumination under his control to be effected or maintained, at any place within the City of Daly City during any period of air raid alarm in the hours of darkness, except within a blackout structure, shall be guilty of a misdemeanor.

Section 4. The maintenance or leaving of any illumination, except within a blackout structure, without provision for its extinguishment, within one minute after the commencement of a period of air raid alarm by a competent person over the age of eighteen years attendant at the place where such illumination is controlled, is hereby prohibited.

Section 5. In order to enable the Chief of Police to conform to the request of the United States Aircraft Warning Service for the obscuration, diminution or extinguishment of any illumination, whether in or out of doors, which increases the vulnerability of the City of Daly City, or any portion thereof, to air attack, or for the regulation of traffic during the period of air raid alarm, the Chief of Police may adopt and promulgate reasonable rules and regulations for such purposes, and any rules or regulations so adopted by him shall be and remain in effect for thirty (30) days thereafter, but no longer unless approved within said time by resolution of the City Council; provided, however, that any rule or regulation so adopted by the Chief of Police may at any time be rescinded by resolution of the City Council. Violation of any such rule or regulation so adopted and promulgated is hereby declared to be a misdemeanor.

Section 6. It shall be unlawful to disobey any lawful direction or order of a peace officer, highway patrolman, or fireman given during a period of air raid alarm, which order is reasonably necessary for the maintenance of public order or safety or to effect the extinguishment or obscuration of light.

Section 7. Any illumination contrary to the provisions of this ordinance, or to any rule or regulation adopted and promulgated in accordance with section 5 hereof, constitutes a public nuisance, and the same may be summarily abated by any peace officer, highway patrolman, or fireman. Any structure may be entered by any peace officer, highway patrolman, or fireman, using reasonable force if necessary, for the purpose of abating such a nuisance by extinguishing such illumination.

Section 8. At the commencement of a period of air raid alarm, the operator of any motor vehicle shall forthwith bring such vehicle as far as possible to the side of the street, road or highway off the main traveled portion thereof, and the operator of such motor vehicle, and the operator of any street car, shall bring such motor vehicle or street car to a stop clear of any crossing, intersection, fire house, fire plug, hospital or other emergency depot or area, and during the hours of darkness shall extinguish all lights therein or thereon and said motor vehicle or street car shall remain so situated during the period of air raid alarm, unless directed or ordered to move by a peace officer, highway patrolman, or fireman.

Section 9. The provisions of this ordinance shall not apply to blackout emergency vehicles, which shall include the following:

(1) All Army and Navy vehicles;

(2) All vehicles with United States Government credentials indicating the necessity of emergency movement;

(3) All authorized emergency vehicles as defined in sections 44 and 44.1 of the Vehicle Code of California;

(4) All vehicles being operated by members of the California State Guard while actually on duty;

(5) All vehicles of volunteer personnel engaged in the operation of the Aircraft Warning Service of the Fourth Interceptor Command while such personnel are actually going to or from their posts of duty.

(6) All vehicles certified by sheriffs, district attorneys, the California State Highway Patrol, police chiefs, and fire chiefs, when within the respective territorial jurisdictions of the certifying office, as being essential to the preservation of the public peace and safety or to the dissemination of public information or to the national defense; provided, however, that such vehicles shall conform to the uniform lighting regulations approved by the Department of Motor Vehicles and the California State Highway Patrol for blackout emergency vehicles. No certificate shall be issued which conflicts with any regulation or order of the United States Army applicable in the area for which the certificate is issued.

Section 10. It shall be unlawful for any person without authority, during any air raid alarm, to use, wear, exhibit or possess any uniform, insignia, credential, or other indication of authority, or any imitation thereof, adopted and issued by any official civilian defense organization.

Section 11. Any person who shall operate a siren, whistle or other audible device in such a manner as to simulate an air raid warning signal or an all clear signal, except upon order of the Chief of Police, or other proper authority, shall be guilty of a misdemeanor.

Section 12. The provisions of every ordinance of this city and every administrative order made pursuant thereto, requiring any illumination to be maintained in conflict with this ordinance or with any rule or regulation made pursuant to section 5 of this ordinance, shall be deemed suspended during the period between any air raid warning signal and the next succeeding all clear signal.

Section 13. Any person who shall violate any provision of this ordinance shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not exceeding three hundred dollars ($300.00) or by imprisonment in the City Jail or in the County Jail not exceeding three months, or by both such fine and imprisonment.

Section 14. This ordinance is required for the immediate preservation of the public peace, health and safety, and the following is the statement of facts constituting such urgency: The United States is at war and this city is in great and continuing danger of air and other attack by the enemy.

Section 15. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this ordinance which can be given effect without the invalid provision or application, and to this and the provisions of this ordinance are declared to be severable.

Section 16. The City Clerk shall certify to the adoption of this ordinance and cause it to be published once in the Daly City Record, a newspaper of general circulation printed and published in this city and thenceforth and thereafter the same shall be in full force and effect.

JOHN J. FAHEY,
Mayor.

Happy New Year from Betty Barclay

You can serve this shore dinner treat for New Year's dinner, no matter how far you live from the sea, if you use quick-frozen foods. They're time-savers for the busy cook, because fruits, vegetables and fish were cleaned, sorted and trimmed before quick-freezing sealed in vitamins and fresh flavor.

Oysters Indienne

1 box quick-frozen oysters, thawed
4 tablespoons butter
1 cup oyster liquor and rich milk
1½ tablespoons flour
Dash of salt
Dash of pepper
¼ teaspoon curry powder

Sauté oysters very gently in 2 tablespoons butter until edges begin to curl. Remove from fire. Drain, reserving liquor; add rich milk to make 1 cup. Melt remaining 2 tablespoons butter in saucepan and stir in flour and seasonings. Add oyster liquor and milk gradually and cook over low flame until thickened, stirring constantly. Add oysters and heat thoroughly. Serve with boiled rice. Serves 4.

This year because of our Government's new emphasis on nutrition, the up-to-the-minute hostess will consider nutritive value as well as palate appeal when filling the punch bowl for the family open-house on New Year's Day.

So if you would drink a toast to the New Year in health as well as flavor try this recipe which begins with a generous supply of canned unsweetened pineapple juice from sunny Hawaii, which, incidentally, is a good source of both vitamins B_1 and C.

New Year's Punch: Place one quart of vanilla ice cream and one quart of lemon sherbet in a large punch bowl. Add one quart of unsweetened Hawaiian pineapple juice which has been well-chilled in the can before opening. When sherbet and ice cream have begun to soften beat until frothy with a rotary egg beater. Add one quart of well-chilled pale dry ginger ale. Stir briskly and serve at once. Sprinkle each serving with grated nutmeg, if desired. Yield: 4 quarts.

Crackers, toast and potato chips are a tempting foundation for canapés spread with all-American cheeses to serve if you keep open house on New Year's Day. In spite of the emergency, there are abundant supplies of such epicurean favorites as Brie, Camembert, Swiss and Liederkranz cheese, all with made-in-America labels. The cocktail cheese spreads, too, such as pineapple and relish, pimento, sharp American and limburger, are delicious for canapés. These cheese spreads now include a Blue cheese; although supplies of Roquefort have disappeared, American-made production of Blue cheese can be depended on to delight the most discriminating epicures.

Pacific Coast Fish Salad

½ cup lemon pulp and juice
2 cups shredded lettuce
½ cup finely chopped celery
2 cups flaked tuna or salmon
3 tablespoons minced pimiento

Combine. Serve with lemon mayonnaise. (Serves 6.)

Limas in Tomato Sauce

2 cups cooked, dried Limas
1 tablespoon finely chopped onion
1 tablespoon butter or bacon fat
½ teaspoon salt
⅛ teaspoon pepper
½ cup strained tomato or tomato sauce

Cook onion in butter 5 minutes; add tomato, salt, pepper and Limas. Heat to boiling point.

You and your guests can toast the New Year without qualms over sleeping problems if you serve this spicy punch, made with decaffeinated coffee.

Sweet Dreams Punch

4 cups freshly made, chilled decaffeinated coffee
1½ pints ice cream
Grated nutmeg

Pour the decaffeinated coffee over a pint of ice cream in a punch bowl or big mixing bowl, and blend lightly with an egg beater until the ice cream is partly melted. Add additional ice cream in spoonfuls to the punch. Sprinkle with grated nutmeg. Vanilla, coffee or chocolate ice cream combines well with the coffee flavor.

Golden Mountain Rennet-Custard

1 package orange rennet powder
1 pint milk, ordinary or homogenized
2 teaspoons lemon juice
⅓ cup apricot pulp
¼ cup sugar
1 egg white

Make rennet-custard according to directions on package. Then chill in refrigerator. When ready to serve, beat egg white until stiff. Add sugar gradually until thoroughly blended. Add apricot pulp (prepared by rubbing cooked apricots through a sieve) and lemon juice. Heap the glasses of rennet-custard with apricot whip, and if desired, garnish with sections of diced orange.

Home made ice cream that's magically smooth and creamy is a real treat for New Year's dinner dessert.

Magic Tutti Fruitti Ice Cream

(Automatic Refrigerator Method)
⅔ cup (7½ oz. can) sweetened condensed milk
½ cup water
1½ teaspoons vanilla
1 cup whipping cream
¼ cup finely chopped maraschino cherries
¼ cup seeded raisins, finely chopped

Mix sweetened condensed milk, water, and vanilla. Chill. Whip cream to custard-like consistency. Fold with cherries and raisins, into chilled mixture. Freeze in freezing unit of refrigerator until half-frozen. Scrape from freezing tray and beat until smooth, but not melted.

Party Fun Recipes

Game inventors have tackled the hostess's traditional party bugaboo—the missing fourth—and devised a new crop of quick-action parlor sports that welcome both odd and even numbers of players. Thumbs Up, a game version of V for Victory, is a new favorite any number can play. Bonanza, a light-hearted blend of Michigan, rummy and poker technique, is typical of the trend to informality. Dig, a streamlined version of word building played with miners' picks, is another favorite that's adaptable to any number.

Pershing P. T. A. Reports On Sale

Mrs. Frances Haussler, chairman of General Pershing P. T. A.'s bazaar and food sale, today thanked all who helped make it a success. "Every bit of our merchandise was sold and the sale was a huge success," stated Mrs. Haussler.

Children of Pershing school were entertained at a Christmas party by the ladies of the unit, Friday. Santa Claus was present to distribute small gifts and give each child candy and fruit.

In charge of the party was Mrs. Ruth Canier, vcie-president. Members of the executive board assisted.

Teachers at the school were presented with gifts by the P. T. A. ladies.

Following the distribution of gifts, refreshments for all mothers and children were served.

Many of the members have been attending Red Cross first aid classes at 188 Santa Barbara.

It was announced today that several members were workers on the Emergency Red Cross collections.

"On behalf of the unit I want to wish everyone a Merry Christmas and a Happy New Year," stated Mrs. Nora Clifton, president.

Sew And Sew Club Has Xmas Party

Mrs. Eva Hobbs, 847 Hanover street, was hostess at a Christmas party for the Sew and Sew club of Crocker P. T. A., last Wednesday.

Sixteen ladies were present for the pot-luck luncheon at 11:30 a. m. Several kinds of salads, sandwiches, pie and everything good to eat were on the menu.

After the luncheon, the ladies exchanged gifts and spent the afternoon visiting.

Children of Crocker grammar school were feted at a Christmas party, Friday. Ladies of the unit served them ice cream and cookies. The children exchanged gifts with their schoolmates.

Mrs. Virginia Davidson was chairman of the affair. Assisting her were Mrs. Anne Anderson, Mrs. Olga Bordson and Mrs. Hobbs.

The first executive board meeting of the new year will be held after the first week of January. The date will be announced later. Mrs. Bordson will be hostess.

The members announced there will be no more sewing meetings until after the regular meeting Tuesday, January 13.

ABOUT TOWN - - -

Charles Trahan, Daly City, and Anne Gagen, San Francisco, applied for a marriage license in San Francisco, last week.

Mr. and Mrs. Harold W. Avery, 947 Brunswick street, are the proud parents of a son born, December 15, in San Francisco.

Daly City-Bayshore Girls Form Sorority

Alpha Omega, a newly organized sorority composed of Daly City and Bayshore girls, announced the names of their new officers for the term. Miss Alice Forest has been chosen to head the group as president. Her officers include—Miss Pat Lawson, vice-president; Miss Shirley Johnston, secretary-treasurer; and Miss Glen Hall, publicity manager.

Other girls in the sorority are Miss Verna Flatt, Miss Dot Knight and Miss Rose Siragusa. The girls have decided to hold their meeting each Thursday evening at 7:30 p. m. Meetings will be called to order at various members' homes.

The girls' club is now open for membership and will hold an initiation some time after the first of the year. Girls wishing to join should contact any of the sorority members.

At the girls' meeting, last Thursday, a Christmas party was enjoyed. The party was held at the home of Miss Lawson, Bayshore. The girls exchanged small gifts and refreshments were served.

This is a picture of Herman and Beatrice Jones being hit by an IDEA. They're on a modest budget and Beatrice thought she HAD to do the laundry at home. Consequently, every Monday was a day of short tempers and long faces . . . until Herman and Beatrice found out that New Process Laundry could do the work at REASONABLE prices. Now everything is fine!

Maybe you, too, were unaware of how inexpensively you can have your laundry work done. Investigate today—just phone HEmlock 6623.

Classes

SENIORS

Graduation speakers have been chosen. Norman Wiseman will be valedictorian, Norma Simonetti, salutatorian and Jean Hanselman, senior class president, will also speak.

CAPTAINS

In keeping with the saying "Be prepared," several students at the high school have been chosen as Air Raid captains. Each captain is to be responsible for a certain section of the building in case of a disaster.

Area captains are Robert Crooker, Jack Faulk, Robert Grimes, Bernard Janssen, Art McCrystle, Philip Morales and Serafino Ragni.

Lieutenants chosen to work under their various captains are: George Byrne, Tim Chreisten, Frank Coen, Charles Razzari, Eldon Prziborowski, Harlan Ferrando, Walter Lehigh, William Ekers, Robert Sparks, Dolores Mardecich, Roy DeVincenzi, Harvey Melicker, Robert Bybee, Grace Lopresti, Joe Patten, Richard Kronche, Joe Becker, Jo Bricker, Henry McGrath, Frank Feno, Roddy Dawe, Maxine Hudson, Jerrold Martin and Eugenia Rich.

C. S. F.

Students of the California Scholarship federation held their initiation party in the C. S. F. room, last Wednesday. Bob Grimes, C. S F.. president, was in charge of the afternoon.

New members include: Clayton Kollman, Jerry Kollman, Mona Kielty, Elizabeth Lerner, Alma Simonetti, Joe Rodriquez and Leonora Ross.

TOTEM POLE

The staff of the Totem Pole deserves a hand for the fine job they did on their Christmas edition. A jolly Santa Claus greeted you from a red cover. Throughout the paper were various signs of Christmas holly, wreaths and bells. The last page was done in green.

CHORUS

The Jeff chorus of fifty voices sang several numbers for the public at the annual Christmas play, Thursday evening. Oscar Busch was director of the group.

The chorus was in charge of a Christmas assembly for the students, Friday. The curtain was drawn apart to show the chorus arranged in the singing of Christmas carols.

Louise Baciocco was the featured soloist in "Silent Night."

ALLIED YOUTH

Several students at Jefferson are trying to organize a new club at the school. In charge of getting charter members for the Allied Youth group is George Grimes.

Students who have already signed are Isabelle Smith, Tillie Castro, Ardis Hatton and Grimes.

In order to be granted a charter there must be fifteen members. The organization is also open to teachers.

Miss Martha Springer is the faculty advisor in charge.

AWARDS

Miss Juanita Young, girls physical education instructor, announced today that all G. P. A. L. awards will be given in an assembly, January 8.

SWEATERS

Bernard Janssen, chairman of the senior sweater committee, announces that all senior sweaters that come to him during the Christmas holidays will be delivered to their owners personally.

Campus Fashions

A peek at the shops during these months, when the busy co-ed is gathering her wardrobe for a new year, shows sport clothes still leading the list for campus wear.

Jackets, lightly lined so they won't be bulky, are longish and slightly fitted. Shoulders, though still padded, are rounded and closer to normal than in the past season. The campus jackets are single-breasted, with generous patch pockets for carrying gadgets. Skirts are now styled with pleats across the front only, or with gores to maintain smooth lines.

Colorings of checks and plaids are more gay and interesting than they have been in some time. For example, red, turquoise and nutria plaid are used for a fitted jacket to be worn over a casual dress of rabbits wool trimmed with stitching.

Two-piece suits for Sunday wear and special dates appear in red and blue diagonal stripes with wide fuschia overstripes. The jackets feature four flap pockets.

For honey-colored blondes quiet shades of hyacinth blue, pink or brown are just the thing. Tan covert-gabardine is still a classic to wear under a camel's hair coat.

Top coats favored for the new year are voluminous in line, often in red-and-green plaids. Masculine covert topcoats have zipped-in linings, and even polo coats in black are shown with a bright red or soft blue lining.

Night Basketball Out During Emergency

Night basketball games at Jefferson Union high school were changed to afternoon hours when representatives of Peninsula Athletic league schools voted unanimously for the change in league schedules, Albert Biggs, athletic director of the local high school, announced yesterday.

The change was caused by blackout orders in the region, since many non-league games on the Peninsula have been halted already. Biggs added that all non-league games at Jefferson gymnasium on the Indian schedule have also been changed to 3 p. m.

Jefferson opens the PAL schedule, Friday, January 9, when they meet San Mateo high school in the San Mateo gymnasium. Next game on the Jefferson schedule is booked for Wednesday, January 7, when the Indians will play Balboa high school on the latter's court.

Bayshore P. T. A. Hears Rev. Szilagyi

Reverend Szilagyi, Ph. D. of St. James Presbyterian church, was the honored speaker at the meeting of Bayshore P. T. A., last Friday. Reverend Szilgayi presented a sermon based on the unit's theme, "Active Spiritual Faith."

Following the business meeting, students of Mrs. S. Wagoner's class sang "Silent Night" in Spanish for the ladies. "The Night Before Christmas" was also recited by the children.

The school band played several Christmas carols. Mrs. M. Casero accompanied the members at the piano for a community sing.

At a special meeting of the executive board, last week, it was decided to change the regular evening meetings to afternoons. Several reports were given by the various chairmen. Mrs. E. Ford gave a report on the bazaar; Mrs. W. Lowe, on the show and candy sale, and Mrs. M. Casero gave a report on the I. C. A. dinner.

Mrs. P. Haines, in charge of the First Aid and Red Cross classes, announced they would soon be under way. Mrs. G. Praul donated a single bed and Mrs E. Percival announced she had sold several emblems.

Following the holidays a study class will be held at the home of Mrs. Sadie Franzen. This will be the last study group meeting of the term.

Children of Bayshore grammar school were treated to a Christmas party, Friday. The members gave each child a gift and refreshments were served. Mrs. L. Plumb's class presented a Christmas play.

It was announced by the ladies that their Chrismas party for boys of Moffett Field, scheduled for Saturday evening, had been called off due to war conditions.

Mrs. E. Mangels, Mrs. E. Ford and Mrs. J. Ford were appointed to serve on the Life Membership committee.

At The District Grammar Schools

At Woodrow

Presents were exchanged in Room 14, Friday, at a Christmas party. The room was decorated with snow scenes and pictures of gay carolers.

Ethel Van Den Berg expects to spend Christmas holidays with her aunt, Miss Ethel Strubel.

Leo Melani and his family are going to Sonoma to spend Christmas Day with relatives.

Elizabeth and Bertha Peltier and their family are having a Christmas Eve party with friends and relatives.

A white Christmas tree featured the yuletide decorations in Room 15 when presents were exchanged, Friday.

The art period in Room 12 was used to make Christmas gifts for the mothers of students. Needle and thimble-holder dolls and powder puff pin cushions were made.

At Jefferson

"The Community" is a very practical study unit that has been studied by second and third grade classes at Jefferson. With a large map of the district, the pupils have been taught locations of the business centers and public places in Colma, and each student located his home. During the course of study, the children were also taught an appreciation of the various public services of the community, such as the fire and police departments, the post office, the health department, and others.

"Communication," a social study unit in the sixth grade, was illustrated by Jack Ghio when he brought an ancient Indian tom-tom to class. He gave a demonstration and an interesting report of the history of tom-toms and beacon fires used in conveying messages to early tribes.

With a Christmas tree, Santa Claus, presents for everyone, nad plenty of refreshments, the eighth grade had a Christmas party, Friday. The students danced and played games at the party.

The students of Jefferson school reported a large number of seagulls in the school yard at noon each day while the students are having luncheon. The youngsters feed the hungry birds.

At Crocker

ROOM 1

Students of the high eighth grade witnessed a session in the Daly City traffic court, Friday, December 12.

Observing the celebration of the Bill of Rights, high eighth grade students presented a patriotic program for the occasion.

ROOM 2

The pupils of the room have been busily engaged in making Christmas decorations for the room during the drawing period for the past few weeks.

ROOM 3

A new study unit recently begun in Room 3 is the story of lighting, and the changes that have taken place in this respect from primitive times to the present day.

Lions to Observe Yuletide at Meeting

Christmas spirit will be the order of the day when the members of the Daly City-Colma Lions club convene for their weekly luncheon at the Hilltop lodge at noon today.

R. L. Crane jr., secretary of the local chapter, announced that routine business will be transacted at the meeting. The feature of the day, however, will be an old-fashioned celebration of the yuletide season.

Mrs. Peter Dormoy Entertains at Luncheon

Mrs. Thomas Montgomery, 132 Los Olivos avenue, was the honored guest at a surprise luncheon, last Wednesday. The party was given by Mrs. Peter Dormoy, 40 Mission circle, at 1 p. m.

A hot luncheon was served from a table decorated in the Yuleutide motif.

Mrs. Charles Roberts sang several numbers for the ladies present. Games were played and stories told by the guests.

At the close of the party, Tom Montgomery, husband of the honored guest, presented each lady with a small token.

The ladies took up a collection for the Red Cross.

Those present were: Mrs. Montgomery, Mrs. Richard Solars, Mrs. Mary Linhares, Mrs. Etta Mehan, Mrs. C. Renhart, Mrs. John Carlson, Mrs. Lawrence Schmidt, Mrs. Alma Gohll, Mrs. Dormoy, Mrs. Ida Beecher, Mrs. John Gushenberg, Mrs. John Hart. The ladies expressed their regrets that Mrs. Richmond, Mrs. Iverson and Mrs. Hutchingson were unable to attend.

Senior Girl Scouts Plan Taffy Pull

A taffy pull has been planned by members of the Senior Girl Scout troop. The pull will be held, Monday, at 7:30 p. m. Miss Anita Ryan, newly elected president, is to be hostess of the evening. The affair will be held at her home, 800 Templeton avenue.

Mrs. Lyal Ingersoll, scout leader, announced that the girls' Christmas party held, Friday evening, at her home, 439 Crocker avenue, was a grand success. Many of the girls attended with their parents. A small charge was made for the evening's entertainment and refreshments. Proceeds went to a charity organization.

Besides being a Christmas party the girls celebrated their birthday. They had been organized one year.

Girls attending the affair were: Anita Ryan, Joyce Yates, Dorothy Kampa, Mary Lou Becker, Evelyn Currier, Ruth Smith, Valerie Barry, Nancy Sorg and Edith Derungs. Others were also present.

Rubber Grips

To avoid dangerous bathtub falls are new rubber hand and foot grips that fasten securely to the bottom and sides of the tub with suction cups. The designs are conservative, neat, and there is a choice of colors.

More Pointers For a Safe Xmas

Don't let fire turn happiness to gloom this holiday season. Santa Claus' whiskers have caused many Christmas tragedies and so have trees, inflammable decorations, wax candles, tinsel trimmed costumes, and gift wrappings, according to Daly City Fire Chief A. P. Chesney.

This warning comes to you from Chesney of your local fire department. Christmas is a time of added dangers, but you can prevent such disasters from happening to you by observing a few simple precautions.

First, safeguard your tree by keeping it green as long as possible by these methods:

1. Buy a fresh tree only
2. Saw off trunk diagonally an inch or more.
3. Stand the tree in a tub of water, keeping the cut end above the water.
4. Keep the tree outside in a shaded place until you are ready to set it up.
5. If possible, arrange to set tree in water while it is in use, and do not overheat the room, as this will dry the tree out.

The tree should be placed so that in the event of fire, it would not block escape.

Never set it up close to a radiator or fireplace. A burning tree makes a furious and intense fire which is difficult to extinguish. Take no chances—call the fire department at once.

Wax candles are still used by a few people, and each year they cause needless loss of lives and property. Use only electric lights and cords used by the Underwriters Laboratories. Be sure your old cords and all connections are in good condition. Do not overload electrical circuits with too many strings outside.

Find Lobdell Guilty Of Drunken Driving

A jury verdict of guilty to a charge of drunken driving brought a fine of $100 to Charles J. Lobdell, San Francisco, when he appeared before Judge John J. Fahey jr. in the municipal court in Daly City, Tuesday.

Prosecution in the case was executed by Louis Dematteis, chief criminal prosecutor of the district attorney's office in Redwood City.

Lobdell, represented in counsel by Alexander Dubovsky, Oakland attorney, entered a plea of not guilty. The defendant was taken into custody by Sergeant W. W. Sunderland of the Daly City Police department after Lobdell's car collided with an automobile driven by Celestino Alfaro, San Francisco. The accident occurred, October 11, near the intersection of Mission and Liebig streets.
